

THE OLD TRADE TRAIL NORTH MACEDONIA

This is a trail that starts from Tetovo and ends in Prizren or vice versa. The old trade trail, or The Royal Road (Кралскиот Пат), is a trail that starts from Gorno Maalo and follows the Pena River. Passing by the area "Banjiche", the source of the mineral water, the path goes to the village of Selce, and passes beneath the village. From the village of Brodec the trail is on the asphalt road to the village of Veshala from where it starts to climb to the green pass or "Shar" pass at Karanikola. From here the trail takes place on a wide dirt road that steeply rises above the village and then gently climbs along the right side of the Karanikolichka River. At an altitude of 1,760 meters, where the fountain is built, the wide road then turns into a mountain trail where after another km. of northwest direction, at the site with signposts, sharply turns north where it steeply climbs to the green pass on altitude of 2000 meters. From this position the trail crosses to Kosovo, descends to the Mountain Hut "Sharri", the village of Zapluzhe and generally goes north to the town of Prizren.
